

Dano Christian Education Program

Start children off on the way they should go,
and even when they are old they will not turn from it.

Proverbs 22:6 (NIV)

Visit to Dano

A journey of encouragement!

On February 18th 2022, I was able to go to Dano. It is always astonished to see how paradigm shifts when you move from Port-au-Prince to the country side, its is like going to another country. Peace all the way to the mountain is so obvious that sometimes you loose tract on what's going on the capital.

Getting to the school compound, seeing these kids study, play, eat, etc. always bring joy to my heart and knowing and seeing now that they are being fed spiritually through the Christian Education Program (CEP) is really encouraging. For at the end of life what will count the most is now your education level our how successful you are in

life, but your relationship with God.

John Kelly Chervil, the CEP Teacher is doing a tremendous job. Now from First grade to Sixth grade, he teaches two hours a week per class and the books are helping a lot. I asked some question to some of the kids and they were able to quote scriptures just after couple weeks with the books.

In the midst of the chaos that part of the country is facing, we also have a great opportunity to deliver the message of the kingdom, starting with the youngest. More than ever, this message needs to be preached to the world, and now we have the heavy responsibility to do so. Thanks to all of you who have contributed to keep this special work in both Jeanton and Dano. May the Lord bless you indeed.

Reginald Celestin, Consulting Pastor
